Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, C Hillendorff master of the Brandenburg of Bremen do solemnly and truly Swear that I have carefully inspected the said vessel, and that to the best of my knowledge and belief the certificate of registry now produced by me contains a true account of the tonnage of the said vessel, and that the said vessel has not been sold or transferred to any person or persons whatsoever, or any body politic, or corporate, or to any subject or citizen of any foreign State or Power, whereby such vessel or any interest therein may become liable to be registered anew; and that I will not do or knowingly suffer to be done any act, matter, or thing whereby the said vessel may become liable to be registered anew, or whereby the said certificate of registry may be forfeited or void; and that I will deliver up the said certificate of registry to the Collector or Principal Officer of Customs at the first port at which the said vessel shall arrive in the United Kingdom, or to such other person as the Commissioners of Her Majesty's Customs may appoint to receive the same; and that in case of the loss of the said certificate of registry I will procure a declaration touching the circumstances of such loss, and transmit the same to the Collector or Principal Officer of Customs at the first port at which the said vessel shall arrive in the United Kingdom, or to such other person as the Commissioners of Her Majesty's Customs may appoint to receive the same; and that I will not allow any alteration to be made in the said certificate of registry, unless required by law, or by the Commissioners of Her Majesty's Customs, or by some person duly authorized in that behalf by the said Commissioners; and that I will in all things conform to the Merchant Shipping Act, 1854, and to all other Acts now in force relating to the registering of British vessels. And I do hereby declare that the said vessel is wholly the property of her Majesty's subjects, and that no foreigner, directly or indirectly, has any share, interest, or benefit in the said vessel, or in the profits thereof, or in the earnings thereof, save as allowed by the Merchant Shipping Act, 1854. And I do hereby declare that the particulars of the said vessel specified in the certificate of registry now produced by me are true in every respect, to the best of my knowledge and belief. And I make this solemn declaration, conscientiously believing the same to be true, and by virtue of the provisions of an Act made and passed in the fifth and sixth years of the reign of His late Majesty King William the Fourth, intituled "An Act for the more effectual Abolition of Oaths and Affirmations taken and made in various Departments of the Public Service, and to make other provisions for the Ends aforesaid."
